

Mhlatane High School — Cambridge International AS & A Level Programme.

At Mhlatane High School, we are proud to launch our Cambridge International AS & A Level, opening new horizons of academic excellence and global opportunities for our students. We invite past Form 5 graduates and current Form 5 students to consider joining this advanced pathway.

Why Choose Cambridge AS & A Level?

- Global Recognition & University Access

Cambridge International AS & A Levels are widely recognized by universities worldwide, giving graduates stronger access to competitive international tertiary institutions. Students need not do a bridging course in order to be placed in world universities but now with AS they get admitted instantly

- Academic Rigor & Depth

The courses encourage students to deepen subject mastery, think critically, and engage in extended study. The AS/A Level pathway allows students to specialize in fewer subjects with greater depth.

- Flexibility & Choice

Students have flexibility in their subject combinations, enabling them to tailor studies to academic or career goals. They may take AS (first-year) and A2 (second-year) units over time.

- Skill Development

The curriculum emphasizes skills such as research, analysis, critical thinking, writing, and independent learning—highly valued in higher education and the workplace.

- Competitive Advantage

Cambridge qualifications stand out globally. Employers and universities view them as evidence of strong academic preparation and readiness for higher study.

Subjects Offered

At the start, we aim to offer a robust set subjects:

1. English Language
2. Mathematics
3. Physics
4. Chemistry
5. Biology

6. Geography

7. Accounting

Who Should Join?

We encourage students who: (a) Have strong performance in EGCSE / IGCSE / equivalent, (b) Are motivated and disciplined, (c) Wish to pursue university education (local or international), (d) Seek a program that gives them competitive advantage and (d) Want to develop critical thinking, research, and writing skills.

How It Works

1. Registration & Selection

Past Form 5 or current Form 5 may apply. They will choose subject combinations and submit a motivation letter.

2. Orientation & Foundation Phase

Bridging workshops will prepare all students before formal AS courses begin.

3. Teaching & Assessment

The first year covers the AS Level syllabus; the second year completes the A Level qualification with Cambridge-standard exams.

4. Support & Monitoring

Students receive mentorship, extra lessons, and progress check-ins.

Student Motivation — Why Join Us?

- Be among the first cohort at Mhlatane to earn a globally recognized academic certificate
- Open doors to regional and international universities
- Challenge yourself academically and grow intellectually
- Prepare for courses like medicine, engineering, business, and more
- Gain valuable transferable skills such as research and analysis

How to Apply

1. Complete the Cambridge AS/A Level Application Form (available at school office)
2. Submit academic transcripts
3. Attend entrance interview / orientation session
4. Application deadline: [14 November 2025]
5. Contact : [+268 79245948, 76052640, 76207819]
